

What to pack for Cornwall?

Dear Y8 Boys,

Might I suggest that you do not take too much! You do not want to be lugging your overweight luggage around with you and then clogging up your rooms in Newquay with unnecessary clothing.

So, what to take with then?

Might I suggest the following: -

In your toiletry bag – toothbrush, toothpaste, hairbrush, small container with combined body wash/shampoo, sunscreen, body spray/deodorant.

Main luggage – a few t-shirts, a warm top, a tracksuit, a pair or two of jeans, socks, a sufficient supply of underwear, peaked cap, waterproof jacket, swimming costume and **x2 towels** and lastly, comfortable walking shoes.

Other things to take: A book to read or card games and save a £1 coin for the locker at Splashdown.

Enjoy the scenery and each other's company whilst on the coach. You may want a bit of quiet time to have a nap or read a book. **You will not need to take a mobile on this trip.**

A suggestion for the first leg of the journey; go to the toilet before you step on board, as the first leg of the journey should take about three and a half hours.

You will need a packed lunch. No fizzy drinks, please.

What else should I take with to Cornwall? It would be a good idea to take a small rucksack and a water bottle, as you will need something to place your daily lunch and warm top into as well as all those tatty souvenirs you will no doubt be buying.

Important: Remember to ask Mum or Dad politely for spending money! You will need this for any purchases you may wish to make at St Christopher's Inn in Newquay, at any tourist destinations that we will be visiting, e.g. Woodlands Theme Park, the Blue Reef Aquarium, Newquay Zoo, Splashdown Waterpark, the Eden Project and the Seal Sanctuary and also at the services where we will stop for a comfort break.

Do remember that we will have breakfast and supper at our accommodation.
