

Friday, 19<sup>th</sup> April

Dear Parents,

I hope that you have all enjoyed a pleasant Easter break and that you are all looking forward to the excitement of the summer term.

I am delighted to share with you the news that we will be working with the organisation “It Happens” on Thursday, 9<sup>th</sup> May (online parent session at 6pm) and Friday, 10<sup>th</sup> May (in school) to complement the delivery of the CPSHE curriculum to all boys in Years 5-8. It Happens is a team of RSHE (Relationships, Sex and Health Education) specialists with extensive professional experience. Their sessions are engaging, inclusive and interactive and are delivered in a sensitive and age-appropriate manner. More details about the organisation can be found by clicking on the following link:

Our guest speaker will be Louise Squire who will be delivering an online webinar on Teams on Thursday, 9<sup>th</sup> May at 6pm. The link to this session will be sent out in the Friday mailing on 3<sup>rd</sup> May. Please note that it is recommended to be able to access [www.mentimeter.com](http://www.mentimeter.com) on a second device, such as a mobile telephone, to fully participate in the session. The parent session will include the following themes:

- Contextualising RSHE and your school
- Looking at current UK data on sex and relationships
- Introduction to Statutory RSHE
- Positive and protective RSHE
- The challenges
- Q&A and signposting

Louise has also asked if you can please conduct the survey below, by Friday, 3<sup>rd</sup> May, to make the session more bespoke to The New Beacon parent community. All boys in Years 5-8 will also be asked to complete a pupil specific survey before delivery of their session(s) on Friday 10<sup>th</sup> May.
